11.2 Nondisclosure. The parties agree, unless otherwise provided in this Agreement or required by law, not to use or make each other's Confidential Information available to any third party for any purpose other than as necessary to perform under this Agreement. The recipient shall protect the Confidential Information from disclosure by using the same degree of care, but no less than a reasonable degree of care, that it uses to protect its own confidential information of a like nature to prevent its unauthorized use, dissemination or publication by its employees or agents. Customer further agrees that it will not allow any form or variation of the Software to enter the public domain. Both parties acknowledge that any breach of its obligations with respect to Confidential Information may cause the other irreparable injury for which there are inadequate remedies at law and that the non-disclosing party shall be entitled to equitable relief in addition to all other remedies available to it. Customer shall not disclose the results of any performance or functionality tests of the Software to any third party without Manatron's prior written approval.

11.3 Exceptions. 13. LIMITATIONS OF LIABILITY.

13.1 Limitation and Disclaimer. MANATRON'S LIABILITY FOR DAMAGES OF ANY KIND, REGARDLESS OF THE FORM OF ACTION OR THEORY OF LIABILITY, SHALL NOT EXCEED MANATRON'S INSURANCE COVERAGE. TO THE EXTENT THAT A CLAIM IS NOT WITHIN MANATRON'S INSURANCE COVERAGE, MANATRON'S

IN NO EVENT SHALL MANATRON BE LIABLE UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, OR EXCESS COSTS OF REPROCUREMENT ("COVER COST") INDIRECT OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING DAMAGES RESULTING FROM INTERRUPTION OF USE, LOSS OR CORRUPTION OF DATA, LOST REVENUE, LOSSES RESULTING FROM SYSTEM SHUTDOWN, FAILURE TO ACCURATELY TRANSFER READ OR TRANSMIT INFORMATION, FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION, STOLEN OR MISUSED PASSWORDS, SYSTEM INCOMPATIBILITY OR PROVIDING INCORRECT COMPATIBILITY INFORMATION, OR BREACHES IN SYSTEM SECURITY, WHETHER OR NOT MANATRON HAS, OR SHOULD HAVE HAD, ANY KNOWLEDGE, ACTUAL OR CONSTRUCTIVE, OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

14. **THIRD-PARTY SERVICE DISCLAIMER.** Unless otherwise stated in the applicable Schedule, Manatron shall not be liable for, and Customer hereby assumes the risk of and shall indemnify and hold harmless Manatron against, any claim, injury, loss, damage or expense (including attorneys' fees), either direct or indirect, incurred, made or suffered by Customer in connection with or in any way arising out of the furnishing, performance or use of services provided by any third party contracted by Customer to perform services in connection with the Software.

To effect the termination of this Agreement, Customer shall, within thirty (30) days following the beginning of the fiscal year for which the proper appropriation is not available, provide Manatron with written notice of the failure to obtain the proper appropriation of funds. Such notice shall be accompanied by the payment of all sums then owed Manatron under this Agreement, if any. If this Agreement is terminated pursuant to this Section 16.2, Customer agrees to grant Manatron a right of first refusal to continue under the terms of this contract for a period of two (2) years from the date of exercising this Section 16.2. If funds should not become available within two (2) years of said date, Customer shall be free to contract with Manatron or any other available source when they do become available.

16.3 **Effect of Termination.** The termination of this Agreement shall not effect the Customer's rights to the Software pursuant to Section 3.1 provided that Customer has paid all Software license fees set forth in the applicable Schedule(s) and Customer is not in breach of any provision of this Agreement or the Schedules. If Customer terminates this Agreement prior to the payment of all Software license fees, or if Customer is in breach of this Agreement, Customer shall immediately cease using the Software and shall either destroy or return the original and all copies, in whole or in part, in any form, of the Software and related materials. Customer shall certify such action in writing to Manatron within one (1) month after the termination date. 18. GENERAL.

18.1 **Customer List; Publicity.** Customer authorizes Manatron to use Customer's name in its list of Customers. The parties agree that either party or both may issue a mutually acceptable news release regarding Customer's use of the applicable Software and Support Services. Each party's approval of such news release will not be unreasonably withheld or delayed. Once a press release has been

issued, Manatron may publicly refer to Customer (by name only) as being a customer of Manatron, and only in relation to this Agreement except as otherwise authorized by Customer.

18.2 Amendments. No provision of this Agreement may be amended or modified except by a written document signed by duly authorized representatives of both parties.

18.3 Notices.

18.3.1 Delivery. Except as otherwise provided herein, any notice or other communication between the parties hereto regarding the matters contemplated by this Agreement may be sent by United States mail (first class, airmail or express mail), commercial courier, facsimile or electronic mail, in each case delivered to the address set forth below for the recipient. Any written notice required to be sent under Section 16 ("Termination") or Section 17 ("Dispute Resolution") must be sent by U.S. mail (first class, airmail or express) or commercial courier.

18.3.2 Receipt. Communications shall be deemed received, if by mail, on the earlier of receipt or the third calendar day after deposit in the mail with postage prepaid; if by courier, when delivered as evidenced by the courier's records; if by facsimile, upon confirmation of receipt by the sending telecopier; and if by electronic mail, when first available on the recipient's mail server. If received on a day other than a business day, or on a business day but after 4:30 p.m., recipient's local time, the communication will be deemed received at 9:00 a.m. the next business day.

18.3.3 Contact Person. Notices shall be addressed to the attention of the contact person listed on the Signature Page. Any party may change its contact person or address for purposes hereof by delivering a notice thereof to each other party hereto; but any element of such party's address which is not specified in that notice shall not be deemed changed.

18.4 Technology Life Expectancy. Customer understands, acknowledges and agrees that the technology upon which the Hardware, Software and Third-Party Software is based changes rapidly. Customer further acknowledges that Manatron will continue to improve the functionality and features of the Software to improve legal compliance, accuracy, functionality and usability. As a result, Manatron does not represent or warrant that the Hardware, Software and/or Third-Party Software provided to Customer under this Agreement or that the Computer System recommended by Manatron will function for an indefinite period of time. Rather, Manatron and Customer may, from time to time, analyze the functionality of the Hardware, Software, Third-Party Software and Computer System in response to changes to determine whether Customer must upgrade the same. Customer upgrades may include without limitation, the installation of a new Release, additional disk storage and memory, and workstation and/or server upgrades. Customer upgrades may also include the installation and/or removal of Third-Party Software. Customer is solely responsible for all costs associated with future resources and upgrades.

18.5 Excusable Delays. Neither party shall incur liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement, excluding payment obligations, where such failure is caused in whole or in part by events, occurrences, or causes beyond the reasonable control of the party, provided that such party has taken reasonable steps to mitigate the effects of such delay.

18.6 Statute of Limitations. No party may commence an action under this Agreement more than two (2) years after the expiration of its term, or, in the event of a breach, more than two (2) years after the occurrence of the breach, or, in the event the breach is not discovered by the injured party when it has occurred, more than two (2) years after the breach could, in the exercise of due diligence, have been discovered by such party.

18.7 Injunctive Relief. Manatron and Customer agree that in the event of any breach of Section 11, monetary damages may not be a sufficient remedy or protection for the aggrieved party, and that the aggrieved party shall be entitled to injunctive or other relief as may be deemed proper or necessary by a court of competent jurisdiction.

18.8 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the state of Indiana.

18.9 Assignment. Customer shall not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement, in whole or in part, without the prior written consent of Manatron, which consent shall not be unreasonably withheld or delayed.

18.10 Severability. If any provision of this Agreement is prohibited or unenforceable by any applicable law, the provision shall be ineffective only to the extent and for the duration of the prohibition of unenforceability, without invalidating any of the remaining provisions.

18.11 Counterparts. This Agreement may be executed simultaneously, in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

18.12 Subcontractors. Manatron reserves the right to subcontract work, as it deems necessary, to perform the Services under this Agreement. Manatron shall be fully responsible for the acts of all subcontractors to the same extent it is responsible for the acts of its own employees.

18.13 Independent Contractor. The relationship of Manatron to Customer shall be that of an independent contractor. No principal-agent or employer-employee relationship is created by this Agreement.

18.14 Waiver. No failure by either party to take any action or assert any right hereunder shall be deemed to be a waiver of such right in the event of the continuation or repetition or the circumstance giving rise to such right.

18.15 Executable by Facsimile. Any signature of this Agreement or any Schedule through facsimile shall constitute execution of the Agreement or Schedule by such party.

18.16 Non-Discrimination. Manatron, to the extent required by law, shall not discriminate against an employee or applicant for employment with respect to the hire, tenure, terms, conditions or privileges of employment, or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.

18.17 Entire Agreement. This Agreement embodies the entire agreement and understanding between Manatron and Customer with respect to the subject matter of this Agreement and supersedes all prior oral or written agreements and understandings relating to the subject matter of this Agreement. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Agreement. The terms and conditions of any purchase order or other instrument issued by Customer which are in addition to or inconsistent with this Agreement shall be of no effect and shall not be binding on Manatron.

APPENDIX A
RESPONSE POLICY

Manatron shall respond to any Errors reported by Customer based on the priority code assigned to such Error. Customer shall identify the priority code when it initially reports the Error to Manatron. Manatron may, in its reasonable discretion, re-classify the Error after its initial investigation. If Customer requests, in writing, that the Error be resolved with a priority code higher than the assigned level, Customer will pay Manatron for that support on a time and materials basis at Manatron's then current rates. The priority codes and responses are as follows:

Priority	Definition/Impact	Manatron's Responses
1	The problem causes an immediate major impact on Customer's business. The problem has caused Customer's use of the Software, or a significant component thereof, to stop or substantially deviate from the Documentation. No timely workaround exists.	Manatron will use all commercially reasonable efforts to: (i) respond to Customer within one hour, indicating that Manatron has received the report of the Error; (ii) provide an initial status report to Customer within 2 hours, and regularly communicate thereafter the status of a reported Incident; and (iii) provide the appropriate modifications, bug fixes and other changes to the Software as soon as reasonably possible.
2	The problem causes an impact on Customer's business. A workaround is not available; however, processing can still continue but in a restricted manner.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within four (4) hours of the report; (ii) verify the reported Error and regularly communicate the status to Customer; and (iii) provide the appropriate modifications, bug fixes and other changes to the Software within ten (10) days, or to continue its efforts indefinitely beyond this period when an Error remains unresolved.
3	The problem has a minor impact on Customer's business. The problem does not prevent operation of the Software.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within one business day of the report; and (ii) respond to the Error within thirty (30) days.
4	The problem has no business impact.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within one business day of the report; and (ii) consider addressing the issue in a future Version or Release.
